EXPLANATION OF RATES

- 1. Owners Policies are issued for the full value of the property including encumbrances.
- 2. Loan Policies are issued for not less than the amount of the loan.
- 3. A commitment to insure is issued for \$100.00.
- 4. Owner's Policy Reissue Rates. If property has been previously insured under an owner's or leasehold owner's policy, the reissue schedule is:

AGE OF PREVIOUS	PERCENTAGE
OWNER'S/LEASHOLD	OF BASIC
OWNER'S POLICY	PREMIUM RATES

1 year or less	75%
More than 1 year but less than 2 years	80%
2 years or more but less than 3 years	85%
3 years or more	90%

If more insurance is desired or required under the reissue policy than was written in the original policy, the additional coverage is computed at the Basic Premium Rate in the applicable bracket or brackets.

- 5. The rate for a loan policy simultaneously issued with an owner's policy will be \$30.00 provided the amount of insurance in the loan policy does not exceed the owner's policy liability amount.
- 6. For rates on Refinance Loans, Second Mortgages or Subsequent Issues please call your local Fidelity National Title Group representative.
- 7. Special rates are available for developers, builders, and subdividers. Please call for additional information.

Great care has been taken to make these rate tables correct, though there is no warranty of complete accuracy.
